

NORTH WALES BRANCH

CANGEN GOGLEDD CYMRU

Machine Embroidered Landscapes

Wendy Dolan

Sunday 4th July

Starting Promptly at 10.00 am – 4pm Held Via Zoom

Cost of Workshop £22

Number of places : 20

For more details contact Tina at clwatkins73@gmail.com

Brief Description of the Course:-

Develop landscape designs by piecing, layering and stitching a background in coloured, textured fabrics. This textured surface will then be worked into with machine embroidery, adding in details of trees, foliage etc.

I will demonstrate the different stages of the workshop throughout the day, using 3 camera positions, and I will talk to everyone individually as they work along with me. I keep everyone on mute to avoid background distractions but questions can be asked at any time throughout the day. We will break for lunch for 30-45 minutes when members can chat to each other over a sandwich. We will have a show and tell at the end of the day.
